

BPA Energy Efficiency Weekly Announcements, July 17, 2014

Events

Commercial HVAC TAN Webinar -

Please join us on Tuesday, July 22 at 12:00 p.m. Since April of this year BPA has been interviewing and engaging with contractors, distributors, utilities and stakeholders to aid in the design of a HVAC Trade Ally Network to support the distribution, installation, servicing, and promotion of high quality energy efficient HVAC technologies throughout the region. Please join us on July 22nd to hear about the findings and next-step recommendations...

Reminders

Comment Period for BPA's Post-2011 Review Proposal Ends July 19 -

BPA is seeking public review and [comment](#) on the [Proposed Revisions to the BPA Energy Efficiency Post-2011 Implementation Program](#) (Proposed Revisions). **The comment period closes July 19, 2014.** The proposal is closely based on [workgroup recommendations](#). After considering the public comments, BPA will make a final decision, update the Implementation Program, and prepare for the implementation of the changes, including updating the Implementation Manual.

BPA produced a **Frequently Asked Questions** document to clarify details of the Proposed Revisions to the BPA Energy Efficiency Post-2011 Implementation Program for customers and stakeholders during the public comment period. The document can be found [here](#).
